

# A HEALTHY WORKFORCE MEANS A HEALTHY BUSINESS.

## THE NUMBERS TELL THE STORY

**\$45-54B**

annual employer cost  
of musculoskeletal  
work-related injuries<sup>1</sup>

**\$1B**

approximate weekly employer  
direct costs due to workers'  
compensation claims<sup>2</sup>

**2.7M**

workers' compensation  
claims are filed  
every year<sup>3</sup>

**32%**

of nonfatal workplace  
injuries result in days  
away from work<sup>4</sup>

Every company has a unique workforce with distinct business needs, however all employers have the same goal - to keep employees safe and healthy on the job.

In addition to being an industry leading carrier for workers' compensation and disability, we offer employers comprehensive injury prevention solutions regardless of industry type, business size, location or work model. Customers receive tailored recommendations to fit the needs and exposures within their organization. We offer services both in-person and virtually, delivering a comprehensive, collaborative and consultative approach.
