

SHORT-CIRCUIT UNEXPECTED BUSINESS THREATS WITH PROTECTION BUILT TO SEE THEM COMING.

Electronics companies need to stay ahead of a changing, sophisticated technology market. To help manage new and evolving risks, you need customizable insurance solutions from a carrier that knows the industry. We take the time to understand the ins and outs of the electronics business so that we can offer underwriting, risk management and claims expertise that keeps unanticipated events under control.

AN APPETITE FOR TECH

The Hartford has a broad appetite for software and information technology companies, including:

- Computer programming services
- Prepackaged software
- Data processing services
- Computer maintenance and repair
- And more

IN SYNC WITH YOUR RAPIDLY CHANGING NEEDS

The Hartford has been at the forefront of insuring electronics companies for **more than 30 years**. We built our company with the same precision as electronic manufacturers, with no compromise on quality or integrity. Count on us for plans that safeguard a company's critical assets.

Manage risk effectively with The Hartford's specialized solutions to help protect:

COVERAGE FOR CRITICAL BUSINESS EXPOSURES

Property. With Property Choice® for electronics companies, we've expanded coverage for business personal property, buildings and business income, worldwide suppliers and more. We also provide valuable protection for computer equipment, media and data, utility services interruption and electronic vandalism.

Global business. The Hartford's Multinational Choice provides broad protection and peace of mind in more than 200 countries.

Product recalls. We offer optional product recall and replacement expense coverage to protect against the recall of an electronic product or component. It includes costs for withdrawing a product.

Design and manufacturing flaws. Our manufacturers E&O liability, which helps fill a common coverage gap, covers financial damage from negligence in the design or manufacture of a product or work.

Electronic vandalism. The Hartford covers insureds when covered equipment or data are damaged due to:

- › A hacking incident
- › A malicious virus infection

Equipment malfunction. The Hartford provides coverages that protect your company against losses and damages due to downtime from equipment breakdown.

SPECIALIZED SERVICE AND EXPERTISE

Industry-focused underwriting. Our underwriters can write both standard lines and technology professional liability coverages. They understand the complex risks that electronics companies face throughout their lifecycle.

Superior claims service 24/7. Our dedicated claims professionals expertly handle complex general liability and professional liability claims.

Keep risk at bay with expert advice. Our dedicated risk engineering consultants, located across the country, are specially trained to understand the safety and operations needs of electronics businesses.

We make it easier to prevail. From venture-backed startups to large, publicly traded companies, we offer coverage solutions to meet the evolving needs of companies as they grow. Year by year, we focus on improving our systems to make doing business easier.
